TABLE XVII.

OCCUPATIONS BY AGE. PART (A)—NATIVE STATES.

NOTE.—In Cochin, age details were not abstracted for persons *dependent* upon occupations: hence this Table cannot be compared with Table VII.

2. Part B of the Occupation Table showing details for States, without age, has not been printed as the information for Travancore and Cochin is given in the Reports issued by those States, while statistics for Pudukóta are given in the corresponding Table for British Territory. The other two States are so small that it is not necessary to give detailed information for them.

Note.—Table XVI for the Feudatories is given in the Presidency Divisional Table XVI-A, and Tables XII-A to XV-A are embodied in the corresponding Tables for British Territory.

CASTE INDEX.

NOTE.—The names of main castes are printed in small capitals, and those of sub-divisions in ordinary type. The sub-divisions of each caste are given after the caste name. The letters in the second column denote the religion, thus :—

A. = Animistic.	J. = Jain.
Ag. = Agnostic.	M. = Musalman.
B. = Buddhist.	N.S. = Not stated.
Br. = Brahmo.	P. = Parsis.
C. = Christian.	T. = Theist.
H. = Hindu.	

The third column gives the strength of the caste and of each important sub-division. The letter and number in the fourth column show the class and group respectively in which the caste has been classified—*Vide* Chapter X of the Report.
